Your registration form and payment must be accompanied by an introductory letter explaining why you are considering a career as an herbalist and what qualities, experience and education you have that will help you excel in this field.

The weekly courses of Level 1a of the Traditional Herbalist program are scheduled on alternating years. They next begin in September 2010. Students who wish to enroll in the Traditional Herbalist before September 2010 can begin with the Level 1b courses. They may also attend Herbal Field Studies which is scheduled from April to October 2010. If you wish to enroll in the Level 1b courses at George Brown or another College or online through Ontario Learn, you are required to first register in the Traditional Herbalist program to ensure your acceptance into the program, as the successful completion of any of the Level 1b courses does not guarantee your acceptance into the Traditional Herbalist program.

If you intend to enroll in the Traditional Herbalist program prior to September 2010 and are planning to attend Herbal Field Studies workshops, you are required to submit a course registration form and the tuition for each course that you attend, as your monthly or yearly payment plan will not be initiated until you begin the weekly Level 1a courses in September 2010. At that time, any tuition that you have paid for the Herbal Field Studies workshops will be subtracted from your monthly or yearly payments for Level 1a of the program.

I understand and agree to all of the above terms.
